Care mi amici,

I hope this letter finds all of you doing well. I anticipate that you are enjoying the beautiful weather and the beautiful flowers that are in bloom. This helps as we get through the time we must continue to stay in our homes.

On Tuesday, I was thinking of everyone. I really missed our Mother's Day Dinner before our meeting. It was always a fun evening to be served by our Men's Club and be able to relax and to enjoy a delicious dinner we didn't have to cook.

Even though our club is closed for the month of May, we are continuing with our tradition of awarding scholarships to deserving students. We are pleased to announce that we received eight applications, and each applicant will receive a scholarship. A letter of acknowledgement has been sent to the following recipients: Dante Ciarabellini, grandson of Mary Ciarabellini; Haley Ronee Frakes, daughter of Renee Frakes and granddaughter of Anne Zeman; Matthew Geller, grandson of Giulia Matteucci; Emanuele Manzone, grandson of Egidia Manzone; Sophia Meidberg, daughter of Kristine Meidberg; Dominic Viano Moore, grandson of Sharon Viano and Irene Moore; Giuliana Sorbi, granddaughter of Adriana Matteucci; and Mason Stenberg, son of Denise Stenberg and grandson of JoAnn Daigle. When the time comes, we will be honoring these students, in person, at one of our dinners. Until then, we wish each student the best of luck in their future endeavors.

I wish all of you a very wonderful Mother's Day. I know it will be much quieter than usual, and I know we may be cooking our own dinner, but keeping the memories of our mothers, grandmothers, and other important women who have been a part of our lives, with us, may the day be a pleasant one for all of us.

I am delighted that our members are following the guidelines for staying well. I know we all miss each other, as well as our activities, and we look forward to the day we can meet again with hugs and kisses.

Con amore,
