

# FRATELLANZA WOMEN'S SOCIAL CLUB BULLETIN

The Fratellanza Women's Social Club | Where Good Friends Meet | Since 1945

## PRESIDENT'S MESSAGE By Marilyn Sibitz

Cari Amici,

Can you believe that fall is upon us already? Though we won't be meeting during this time, we can all remember our fall activities of our Polenta Dinner, our September and November Birthday Dinners, and our Bake and Boutique Sales at our November Dinner. Fortunately, we all have wonderful memories of these events and hopefully, we will be able to attend them next year.

There will be a Dinner and Lunch Drive Thru this month. See the box below that gives you the dates and menus for these events. Even though we see only a few of our friends while driving through, it is nice to be at the club for a short time.

Please continue to take care of yourselves and your families. I look forward to when our country will be able to open up so our activities can resume. Until then, keep the memories of your time at our club alive until we meet again to create new ones.

Con amore, Marilyn

Dear Members:

It's been a long time since I have reported on our members who have been under the weather, they are as follows:

On June 24<sup>th</sup> our member, **Liliana Franceschi**, had back surgery and has been in a care facility recuperating. We wish her a successful recovery.

**Rachelle Babb** was hospitalized on July 7<sup>th</sup>, she has been suffering from asthma and is now home and feeling much better.

**Barbara Barassi** had knee replacement surgery on July 23 and returned home the next day. She is doing very well and should be out and about soon if not already.

**Roslyn Porter** had knee replacement surgery on July 31<sup>st</sup> and is recovering at home.

**Elena Bortolon** had a pacemaker installed on May 27<sup>th</sup> and was feeling fine, however on August 1<sup>st</sup>, while walking home, she fell, fractured her wrist and is now recuperating at home.

**Michela Barbara** was hospitalized on August 7<sup>th</sup> with heart issues and is now home recuperating, we wish her all the best.

**Sandy Jaeger** had knee replacement surgery on August 5<sup>th</sup>, went home the same day, and is now doing very well.

Our Past President, **Loretta Iacobitti**, finally was able to have knee replacement surgery on August 11<sup>th</sup>. Her surgery was very successful. She is now home recuperating. She would like to thank everyone for all their get well cards, telephone call and prayers. We wish her a speedy recovery.

Another Past President, **Karen Garcia**, had some kidney stones removed on August 12<sup>th</sup>. Her surgery went very well, and she is recuperating at home. Karen also had cataract surgery on June 18<sup>th</sup> and that too was very successful.

On a happier note, **Charlene Iacobitti** became a grandmother to a baby girl, Molly Nicole, on August 23, which also made **Loretta Iacobitti** a great grandmother for the 5<sup>th</sup> time. Congratulations to the Iacobitti family.

I hope everyone else is well and staying safe and healthy during this time. Please let me know if you or any of our members are ill or under the weather.

Take care for now,

Irma Sericati
