

FRATELLANZA WOMEN'S SOCIAL CLUB BULLETIN

The Fratellanza Women's Social Club | Where Good Friends Meet | Since 1945

PRESIDENT'S MESSAGE By Marilyn Sibitz

P.S. There is still room for you to join us on our trip to Duarte's Poinsettia Nursery. Send your reservation to Rose Marie Gish to attend this fun day and return with a beautiful poinsettia planting an enjoyable experience.

Cari Amici,

October is Italian American Heritage month, a time to share our heritage and culture. With the pandemic winding down, we are hoping to open our Women's Social Club in the near future for in-person activities. I would like to get a sense of our members to see how comfortable you are to return to some of our normal activities.

We will be sending out an online survey via email soon. The survey questions will include a "yes" or "no" answer to the following:

1. Starting January 2022, would you like to attend in-person meetings?
2. Starting January 2022, would you like to attend in-person dinners?

For those members that receive the bulletin by mail, please respond by calling Marilyn (510) 215-1567 or Lillian (510) 523-9206 to let us know your opinion.

We would like to receive a reply from everyone, so we know how comfortable our membership is about opening our club as soon as we safely can. All of the guidelines established by our state government will be followed. Deadline to give your response to the survey is November 1. Results of the survey will be in the November bulletin.

To help promote our Italian culture, remember that Sunday, October 10, is the Columbus Day Parade in San Francisco. Plan on attending to show your support for our Italian heritage and our Italian American Federation Columbus Queen, Mary Mattone, and her court, who will be riding in the parade. Mary is sponsored by our Fratellanza Men and Women's Clubs.

I hope you continue to enjoy our beautiful fall season. Let's hope we will be able to see each other in person, soon, and get back to our activities in early 2022.

Con amore, Marilyn
